

EZ Small Business™

EZ Small Business is a business management software program perfect for companies who take orders by Internet, phone or mail.

If you're still running your small business on spreadsheets, EZ can help you take it to the next level.

Set up your company information, products and services. Enter customer orders, print receipts and address labels for shipments.

Easily look-up customers and their order history, items ordered, date shipped, date paid.

Generate sales reports to help you instantly know if sales are up from last month or last year. It's easy to see your front-runners and peak seasons.

Easy to Use!

Even with all these features, EZ Small Business is very easy to use. Plus, you can always receive free technical support from All-Pro Software.

To find out more about our Business Software visit www.allprosoftware.com.
