

StatTrak™

FOR FOOTBALL

StatTrak FOR FOOTBALL is a complete statistics management software program. Perfect for tracking stats for individual teams, multiple teams, leagues, and tournaments.

Great for all levels of football including Leagues, High School, and College.

7 Game Types

Add up to 7 different game types (conference, league, tournament, etc) and your stat reports can be computed by game type.

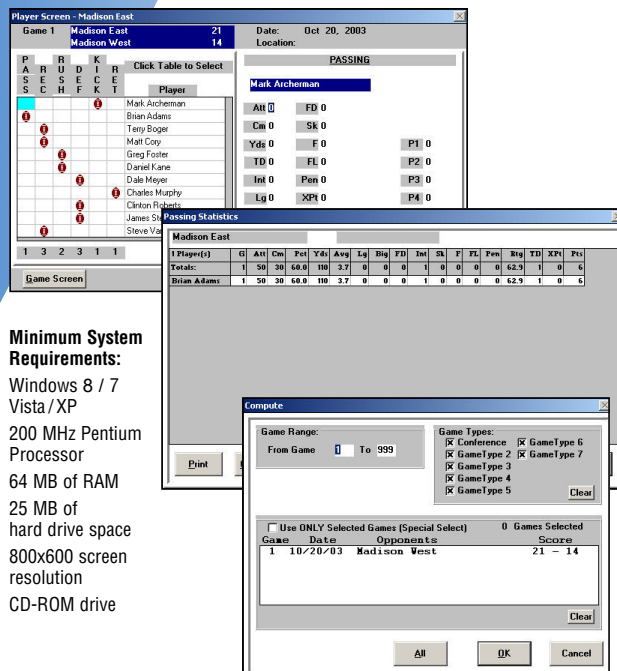

Track Custom Stats

Track up to 30 of your own custom stats (5 each for Passing, Receiving, Defense, Kicking, Returns) and display them on your player statistics reports.

Easy to Use!

Even with all these features, StatTrak for Football is very easy to use. You'll be adding games and printing reports in minutes. Plus, you can always receive free technical support from All-Pro Software.

To find out more about our Statistics Tracking and Scheduling Software visit www.allprosoftware.com.
