StatTrak FOR HOCKEY

StatTrak FOR HOCKEY is a complete statistics management software program. Perfect for tracking stats for individual teams, multiple teams, leagues, and tournaments.

Great for all levels of hockey including Leagues, High School, and College.

Match Your Scorebook

Customize our stat entry screen to match your scorebook layout to save you time during data entry.

Track Custom Stats

Track up to 10 of your own custom stats (5 goalie and 5 player) and display them on your player and goalie statistics reports.

Easy to Use!

Even with all these features, StatTrak for Hockey is very easy to use. You'll be adding games and printing reports in minutes. Plus, you can always receive free technical support from All-Pro Software.

To find out more about our Statistics Tracking and Scheduling Software visit www.allprosoftware.com.
